

WELCOME

The Hilton, the first property in Atlantic City to be built from the ground up as a luxury casino hotel, celebrates 25 years as the premiere casino resort in Atlantic City. From its days as the Golden Nugget to the present-day Hilton, the property remains a classic gambling boutique. With luxurious accommodations, five-star dining, world-class entertainment, non-stop casino action, and so much more, it is clear that the Hilton remains the best on the Atlantic City boardwalk.

With seven distinct restaurants, the Hilton sets the table for a premier dining experience, whether it's breakfast with an ocean view at Horizons or a five-star gourmet experience at Peregrines'. The Hilton also offers a variety of entertainment in the 1,200-seat theater with music legends such as Huey Lewis and the News, Blondie, Cyndi Lauper, Kool & the Gang, Eddie Money, KC and the Sunshine Band and Trisha Yearwood.

The Hilton carries the distinction of being the only casino hotel to receive the prestigious Four Diamond award from AAA for 10 consecutive years. The prestigious Four-Diamond recognition is awarded to those properties that are "Exceptional, significantly exceeding requirements in the physical and operational categories of judgment; offers luxurious accommodations, as well as extra amenities; the management and staff, housekeeping and maintenance rank well above the average."
